**The Original Alamo Drafthouse Cinema, Austin, Texas**

Founded by Tim and Karrie League in 1997, the Alamo Drafthouse is the only theater so beloved by its patrons that there's a dedicated fan web site. Celebrated for its signature food and film series—including the famed nine-meal "*Lord of the Rings*" Trilogy Hobbit Feast, where patrons eat when Frodo eats—the original Alamo also shows an astounding variety of first-run, independent and classic films in its stadium-seating theaters.
